Call for Papers

AQUAFEED HORIZONS • MAY 3, 2011, Cologne, Germany

Aquafeed Horizons 2011 will be the 5th in this series of international conferences for professionals in the aquafeed industry. Aquafeed Horizons 2011 will arm delegates with the latest processing and formulation information to meet head on the challenges facing this sector.

TOPICS

Papers are invited from qualified presenters in the following subject areas:

- measures to ensure feed and food safety and hygiene,
- processing efficiency,
- product quality,
- formulating for new and emerging farmed species,
- formulating for different production methods
- protein alternatives,
- specialty ingredients,
- regulation, consumer attitudes, market trends,

As in all sectors of the food chain, **safety and hygiene and sustainability** are key issues. Presentations that address these concerns are strongly encouraged.

CONDITIONS OF ACCEPTANCE

Presentations are accepted on the following conditions.

- ❖ **Presentations must not be used to promote a product or company.** A table will be available in the conference room for you to display brochures etc. for interested delegates.
- ❖ **Presentations must be tailored to the needs of the commercial aquafeed industry:** there must be a practical take-home message that delegates can apply to enhance their business efficiency, competitiveness and profitability
- ❖ **Presentations must provide information new to this audience.**
- ❖ **Presenters will be required to make available all requested materials in the format required and by the given deadlines.** The organizers reserve the right to drop from the program at any time presentations that do not meet these requirements.
- ❖ **Presenters will be responsible for their own expenses.**
- ❖ **Conference presentations are copyright Linx Conferences.**
